HAIR CARE DUO

**new*

Add a touch of innovation and efficiency to your catalog with our new duo of solid hair care products with plant-based keratin, specially designed for damaged, dry or dull hair!

KERATIN REPAIR SHAMPOO doesn't just gently cleanse: it nourishes, repairs and protects the hair fiber, restoring strength and vitality to hair that has been damaged (straightener, coloring, sun...).

To complete this haircare routine, KERATIN SHINE MASK & CONDITIONER deeply moisturizes, facilitates detangling and adds natural shine without weighing hair down, so tired hair can finally look its best again.

A solid duo (in every sense of the word) that combines care and practicality, without compromise. In short, a range that has everything to please... and to be talked about!
