

keratin shine

MASK & CONDITIONNER
**radiant*

This certified organic two-in-one is the boost your damaged hair has been dreaming of! It's a care and detangling product, specially formulated to nourish and enhance hair. Thanks to plant-based keratin, it strengthens the hair fiber, restoring vitality. Organic shea butter deeply nourishes hair, leaving it as soft as a cloud. Organic linseed oil, rich in omega-3, improves elasticity and shine, so your hair catches the light like never before. In short, this treatment transforms your dry, dull hair into a radiant mane!

DEEPLY NOURISHES AND SUBLIMATES
PLANT-BASED KERATIN
SHINE AND SUPPLENESS

Ingredients explained:

TO GENTLY WASH YOUR HAIR:

- The **plant-based keratin** (hydrolyzed vegetable protein) strengthens, repairs and moisturizes the hair fiber, making hair stronger, softer and shinier. Ideal for damaged hair, it is a vegan alternative to animal keratin.
- **Organic shea butter** (butyrospermum parkii butter*) contains Vitamins A, D and E, and adds shine, suppleness and growth to hair. Its linoleic, oleic, stearic and palmitic acids deeply nourish the hair fibre for stronger, more supple hair!
- **Organic linseed oil** (linum usitatissimum seed oil*) helps nourish, soften and repair hair deep down, while adding shine. Thanks to its high omega-3 content, it protects the hair fiber and prevents dryness, for softer, stronger hair.
- The carbohydrates in **organic corn starch** (zea mays starch*) are super humectants/moisturizers that coat the hair fibre, leaving it soft and shiny.

FOR A BEAUTIFUL SENSORY EXPERIENCE:

- The **hair conditioner** (arachidyl / behenyl alcohol and archidyl / behenyl betainate esylate) is made in France and 100% biosourced, from sugar beet and rapeseed. It's used for its detangling action and the soft touch it leaves on hair!
- A soft **fragrance** with floral notes.

*ingredient from organic farming.

Hair types:

Damaged, dry or dull hair

How to use it?

AS A MASK: After shampooing, apply to lengths. Leave on for 3-4 minutes, then rinse thoroughly.

AS AN AFTER SHAMPOO: Apply to lengths and rinse!

Precautions for use:

Rinse in case of eye contact. Do not ingest or use if allergic to any of the ingredients. Suitable for pregnant women and children over the age of 6.

Product anecdotes:

We have chosen a plant-based keratin, a more ethical alternative to conventional keratin, which is of animal origin and extracted from feathers, horns or wool. Plant-based keratin, on the other hand, is obtained from hydrolyzed wheat, corn, rice or soy proteins.
